The 153rd Annual Meeting

Friday Night Presentations

The Washington University Dental Alumni Association (WUDAA) held its annual meeting on September 20 and 21, 2019. The meetings and reunion festivities were well attended. Each year the attendees report that they return specifically to this meeting in St. Louis to enjoy the people and places they remember from their days in dental school.

The 153rd Annual Session of the WUDAA meeting began Friday evening, September 20th with a reception at the Alumni House on the Main Campus. As always, there was a large crowd for this event. It is a great opportunity to socialize and catch up with Alumni from many different years and numerous instructors from the dental school.

WUDAA President Tom O'Connor, Class of '79, served as the Master of Ceremonies.

Dave Fishberg spoke for the class of '84, who were celebrating their 35th reunion. Dave acknowledged Richard Marias who had passed away last year.

Bob Keating spoke for the class of '79 who were celebrating their 40th reunion. Bob mentioned how they enjoy returning to St. Louis for WUDAA reunions.

As you are probably aware, **WUDAA established a Scholarship Fund and Award in 2006.** Since that time, thanks to the incredible generosity of our members and friends, \$16,000 has been awarded to dental students, and the Scholarship Fund has grown to over \$125,000.

As the Alumni Association winds down, the Executive Board directed the Scholarship Committee to seek a partner to continue this work, while carrying the name of our organization forward. The committee engaged in a two-year search, which included discussions with seven different national dental organizations. In November of 2018, WUDAA announced a partnership with the International College of Dentists (ICD) to continue the work of The Alumni Association Scholarship. This collaboration will continue our efforts by helping promising students complete their dental education, thereby, helping the public receive quality dental care.

The first ICD-WUDAA Scholarship recipients for 2019 were announced by Tom O'Connor.

They are Edith Quinonez, University of Oklahoma College of Dentistry, Eugene Bestman, University of Maryland School of Dentistry and Jordan Spavor, Detroit Mercy School of Dentistry.

Applications for the ICD-WUDAA Scholarship can continue to be downloaded at the WUDAA website (www.wudaa.com).

Next, special honors were given to the **Fifty-Year Class of 1969**; they were awarded commemorative medallions from Washington University, presented by Tom O'Connor.

The Board of Directors of the Dental Alumni Association always meets several weeks before the September Annual Meeting to conduct the business necessary to properly prepare for our get-together. At that meeting, reports were given by WUDAA Secretary/Treasurer. The Board of Directors received reports from the Finance Committee, Nominating Committee, Scholarship Committee and Newsletter Editors. The new slate of officers was nominated.

After the awards were given, the WUDAA Business meeting was held, led by Tom O'Connor. This annual meeting is open to any Alum who would like to attend and all Alumni are eligible to vote. A report of the meeting of the Board of Directors was given and appropriate action was taken. The slate of new officers was presented and elected. They are:

Our dues are used to maintain our website and to host and organize the reunion weekend including continuing education sessions.

The Annual Meeting of the Alumni Association and the associated class reunions in St. Louis will be September 25th and 26th, 2020.
